Thanks for a truly spectacular time. The house was spotless and catered to one's every need. Everything was perfect from the added touches such as scented perfumes to the printer and internet connection. I loved the beautiful views and the fabulous kitchen. I can't wait for another trip to Bainbridge.

We truly enjoyed this beautiful and well equipped home! Often when we have rented homes, we found ourselves wanting something more, a better bed, nicer furniture, a little more cleanliness...This house was just perfect for us!! We will be back again! Thank you for the great décor, the wonderful amenities, and thinking of every last comfort.

There were fantastic views, tiring hikes, and wonderful meals all during our stay here. Having this beautiful house to come home to was the cherry on top. We loved the modern and chic look while still remaining cozy and comfortable. Thank you for letting us enjoy this terrific home.

We came together at Bainbridge to celebrate our friendship. What a wonderful place to do that!

An excellent “home base” from which to explore the islands and peninsula! Unforgettable!!

Not only were we blessed with beautiful weather this past week, but staying at your contemporary house heightened our enjoyment with its sense of design and its views of nature. The tranquility wasn't so bad either.

We had a wonderful visit in your lovely home. Every detail is perfect. We appreciated the wonderful beds and bedding. Nice towels, beautiful furniture and artwork and well appointed kitchen. The views are wonderful too – a constantly changing scene visible from just about everywhere! Our favorite detail though, is the labeling! It made finding things and putting them away a breeze. We also needed the labels on the lights! We wanted for nothing during our stay. Thanks for doing a fabulous job. We will come again and will tell our friends.
